

# Gabrielle Aplin - Skeleton

Tom: C  
Intro: Dm G Am G Am

Verse 1:

What did you just say  
No I heard you right the first time  
I heard you right the first time  
Are you trying to hurt me  
You know you're supposed to lie  
When the truth is so unkind

Chorus:

It's like I'm looking right through you  
There's nothing on your skeleton  
Your heart is gone  
You're acting like it doesn't even matter  
Like I don't even matter

The way it was the rush of blood  
You gave it all up  
You're acting like it doesn't even matter  
Like I don't even matter

Am F Dm

Verse 2:

I'm not gonna fight you  
I don't want to win  
And live through this again  
I'm not going to love you  
I don't know where to begin  
I don't know where to begin

Chorus:

It's like I'm looking right through you  
There's nothing on your skeleton  
Your heart is gone

You're acting like it doesn't even matter  
Like I don't even matter

The way it was the rush of blood  
You gave it all up  
You're acting like it doesn't even matter  
Like I don't even matter

Am F Dm

F G

Where will you go  
Who will you be  
Who will you hurt (doesn't even matter)  
Up in the clouds

You're gonna fall  
Down in the dirt (doesn't even matter)  
Take what you want

Take it from me  
Give it to her (doesn't even matter)  
There's nothing of us

Nothing at all  
It's not gonna work

I'm not gonna love you

Chorus: (x2)

There's nothing on your skeleton  
Your heart is gone  
You're acting like it doesn't even matter  
Like I don't even matter

The way it was the rush of blood  
You gave it all up  
You're acting like it doesn't even matter  
Like I don't even matter
