Stuck in a haze

Couldn't be better

We don't need to listen
C#7M
You make me feel like Friday

When I'm Sunday PM
F#7M
Let's climb out through the skylight

We can watch the sunset fall into the night
C#7M
Then roll into the sunrise

Slowly

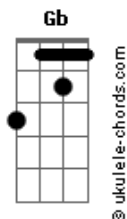

F#7M
We don't need to rush this feeling, feeling
C#7M
Trying is a waste of time
F#7M
We don't need to rush, just breathe out, breathe in
C#7M
Flying is a state of mind
(F#7M C#7M)

F#7M
Visions of you

Fade into me
C#7M
I never have the words

But you unravel them free

Acordes

F#7M
I'm paper thin

Rolled up in your love
C#7M
Lighting me emerald

As you're lifting me up
