

Gal Costa - O Ciúme

Tom: A

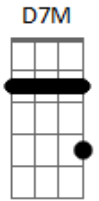

Dorme o sol ^A à flor do Chico, ^{E7} meio-dia ^A ^{A7}
 Tudo esbarra embriagado de seu lume ^D ^G ^A
 Dorme ponte, Pernambuco, Rio, Bahia ^{E7} ^{Bb}
 Só vigia um ponto negro: o meu ciúme ^{B7} ^{E7}
 O ciúme lançou sua flecha preta ^A ^{E7} ^A ^{A7}
 E se viu ferido justo na garganta ^D ^G ^A
 Quem nem alegre nem triste nem poeta ^{E7} ^{Bb}
 Entre Petrolina e Juazeiro canta ^{B7} ^{E7} ^A
 Velho Chico vens de Minas ^{Gbm} ^{B7} ^{Gbm} ^{B7}
^{Gbm} ^{B7} ^{Db} ^{Db}

De onde o oculto do mistério se escondeu
 Sei que o ^{D7M} levas todo em ti, ^{G7M} ^{Gbm7} ^{B7} não me ensinas
 E eu sou só, eu só, eu só, eu ^{D7M} ^{E7} ^A
 Juazeiro, nem te lembras dessa tarde ^A ^{E7} ^A ^{A7}
 Petrolina, nem chegaste a perceber ^D ^G ^A
 Mas, na voz que canta tudo ainda arde ^{E7} ^{Bb}
 Tudo é perda, tudo quer buscar, cadê ^{B7} ^{E7}
 Tanta gente canta, tanta gente cala ^A ^{E7} ^A ^{A7}
 Tantas almas esticadas no curtume ^D ^G ^A
 Sobre toda estrada, sobre toda sala ^{E7} ^{Bb}
 Paira, monstruosa, a sombra do ciúme ^{B7} ^{E7} ^A
