

Gal Costa - Viver e Reviver (Here, There And Everywhere)

tom: G

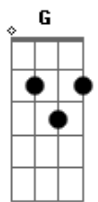

A vida é muito mais
 Quando estou perto de você
 E eu
 Bem que tentei construir
 Sonhos de paz vendo a relva crescer
 Pobre de quem
 Pensar que o amor morreu
 É
 Hoje eu lembrei de você
 Noutro caminho tão longe daqui
 Longe de mim

Eu sei o que você quer
 Eu quero reviver
 O que existe nas miragens
 Que ninguém mais crê
 A nossa viagem pelo céu de mel
 Não ninguém pode esquecer
 Que o sonho é livre, não morre jamais
 Lembre de nós
 Aonde esse amor viver
 Vou viver
 E reviver
 Viver
 E reviver
