No one can play in the sculpture garden  
 Petrified faces are watching in the dark  
 Assimilate yourself in this mystical world  
 Fortune is calling you in this mystical world  
 You'll find a way

## Acordes

Cloud in the mists of time  
 You must take aim and play your game  
 Emotional neglect is the price that you must pay to your desire  
 It's Alsatia  
 You just believe in the lie to forget the awful truth  
 You know the disturbance never ends
