

# Galvão - Encanto

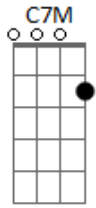

Tom: G

Intro: C7M Bm7 Am7 C

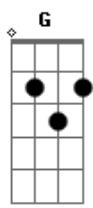

Por todo canto eu canto  
 A minha voz veloz campeia  
 Nos caminhos do amor  
 Dos espinhos descarinhos  
 Renasci pra encontrar você

A poesia nasceu em mim Como nasce a flor  
 A poesia que existe em mim  
 Nasceu para acalmar a dor  
 A poesia vida que nasce em mim  
 Vive para irrigar Esse jardim que é você  
 A poesia vida que nasce em mim  
 Vive para irrigar Esse jardim que é você  
 [Solo]
