Voices are calling from somewhere below
 Melting on the eastern shore
 Rain is falling down on me
 Been waiting for eternity
 I'll be there! Oh oh oh ooh
 Freedom for us all!
 And I wonder why, why my heart still yearns
 And I wonder why, why the earth still turns
 And I wonder why, why the sky turns black
 Still I wonder why, but there is no turning back
 For all eternity, for all the world to see
 We're riding high across the wind
 And when the storm begins, to wash away all sins
 We'll find a place where we'll begin
 There's something wrong with the world today
 Only the people that are fighting for
 A better place in the world today
 They don't believe that they gone too far
 They're falling down
 By moonlight there's way for rebellion
 Here, the world are gone astray revolution
 Now, the time has come to pray halleluja
 Deep, inside our minds we wait for rebellion
 Here in dreamland we will not obey the masters

And the earth still turns but I'm on my way
 He is on the way, as my heart still yearns
 I'm on my way, now he is on the way
 And I cry for more
 Yes I'm on my way, now he's on the way
 Gonna find the secret wall
 Solo: ?
 I have seen the secret dreams
 Of those who know eternity
 And makes me feel like a shadow sneaking in
 In my sleep I'm searching for a way to find
 The open do leading me to where it all begins
 There's nothing wrong with the world today
 There's something wrong with the world today
 Only the people that are fighting for
 A better place in the world today
 They don't believe that they gone too far
 They're falling down
 By moonlight there's way for rebellion
 Here, the world are gone astray revolution
 Now, the time has come to pray halleluja
 Deep, inside our minds we wait for rebellion
 Here in dreamland we will not obey the masters
 Solo 2: ?
 Now I'm riding through the air
 Going to where no one dares
 On the way I cross the line forevermore
 For once in life, I do not care
 Nothing matters, now I dare
 On the ride I'll cross the line
 Forever to be free
 I have no fear, Rebellion is here!
