  E  C  G  D (2x)
     E  C  D  A  E  C
```

```
A            C
Out of the dark
    G          A
He came without a warning
              C
The guarding light
  G
I didn't see
B            D
On a story tellers night
    A              B
He spoke his words of wisdom
                       D
The tales he told from far beyond
    A              Gb
The prophecies he said

    G              D
He was the choosen one to see
    A              E
His words will burn eternally
  G                    A
I know, he set my spirit free

         B      G
Send me a sign
       A                E
For too long you kept me waiting
         B      G
Send me a sign
         D      A
From the eternal skies
         E    C  D  A
```

```
Send me a sign
         E    C  D  A
Send me a sign

A            C
He disappeared
         G              A
In the early haze of morning
                   C
And with him left his prophecies
           G
They didn't care

B              D
All the years that passed away
    A                    B
He'slocked inside my head
                         D
His tales he told from far beyond
    A              Gb
The prophecies he said

    G              D
He was the choosen one to see
    A              E
His words will burn eternally
  G                    A
It hurts, that no one understands

         B      G
Send me a sign
       A                E
For too long you kept me waiting
         B      G
Send me a sign
         D      A
From the eternal skies
         E    C  D  A
Send me a sign
         E    C  D  A
Send me a sign
```
