

Gandharvika - Bem-te-vi

tom:

Am

Venho aqui, para cantar a canção que fiz

Vendo a chuva lá fora eu ouvi o bem-te-vi

Eu senti, e entendi a força do "i"

E as maneiras que de entendi o que é o amor

Para amar, para amará mará amar

Para amores e perceber o amor em cor

Uuuuu uuuuuuu uuuuuuu (2x)

Bem-te-vi cantar cantarola curar

Voa voeja e viajar beira do mar

Para amar, para amará mará amar

Para amores e perceber o amor em cor

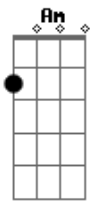

Para amar, para amará mará amar

Para amores e perceber o amor em cor

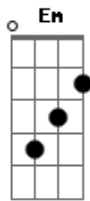

Uuuuuuu uuuuuuu uuuuuuu

Uuuuuuu uuuuuuu uuuuuuu
