

# GangGajang - Sounds of Then (This is Australia)

tom:

Intro: Bm E D Bm

[Primeira Parte]

I think I hear the sounds of then, and people talking  
 The scenes recalled by minute movement  
 And songs they fall from the backing tape  
 That certain texture, that certain smell

[Segunda Parte]

To lie in sweat, on familiar sheets  
 In brick veneer on financed beds  
 In a room of silent hardiflex  
 That certain texture, that certain smell

[Ponte]

That brings home the heavy days  
 Brings home the night time swell

[Refrão]

Out on the patio we'd sit  
 And the humidity we'd breathe  
 We'd watch the lightning crack over cane fields  
 Laugh and think, this is Australia.

( Bm E D )

[Terceira Parte]

The block is awkward, it faces West  
 Long diagonals, and sloping too  
 And in the distance, through the heat haze  
 In convoys of silence the cattle graze

[Bridge]

That certain texture, that certain beat  
 Brings forth the night time heat, chi-cow

[Chorus]

Out on the patio we'd sit  
 And the humidity we'd breathe  
 We'd watch the lightning crack over cane fields  
 Laugh and think that this is Australia.
