Tom: F

Crão crão crão
 Ênauenê-nawê
 Hã hã haê... Haê haê haê

[Solo] Dm Bb C Dm Bb C A Bb A

Todo mundo tem o seu momento de celebrar a fé
 As tribos que se reúnem num dabacurí
 Pra celebrar a vida
 Pra celebrar a terra
 O fogo, a água, a mata e o ar
 Todo mundo tem o seu momento de celebração
 Celebram o nascimento e a criação
 A iniciação, a fé, a união
 E ao som de tambores, flautas e maracás
 Batem bem forte os pés no chão

Celebram a dança, o rito, a consagração
 Imensurável é o amor
 Do índio pela natureza

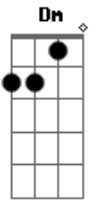

Issé, ingaricó, hixkariana, tariana
 Taulinpang, juruena, kaiapó, kamaiurá
 Tikuna, ianomami, macuxi, teneterara
 Jarauara, javaé....borôro, matsé
 Nambikuara, parintintin
 Sateré-mawé hei há
 Dabacurí hei há hei há

As tribos celebram a vida
 As tribos celebram vida
 A natureza
 Ao redor da fogueira batendo os pés no chão
