tom:

Intro: Bb F7M Bb C B
Bb F7M Bb A7 Dm7 D

Chama, chama do meu fogo

Brasa encarnando a canção

Chama, chama do meu canto

Avermelhando a paixão

Chama, chama do meu fogo

Brasa encarnando a canção

Chama, chama do meu canto

Avermelhando a paixão

Quem garante essa alegria?

Quem, que garante essa dança?

É o boi Garantido

Campeão, que maravilha!

Quando ele chega

Faz feliz a nossa ilha

Quem garante essa alegria?

Quem, que garante essa dança?

É o boi Garantido

Campeão, que maravilha!

Quando ele chega

Faz feliz a nossa ilha

É poeira São José

Poeira Parintintin

Poeira do barro encarnado

Do boi branco de alfenim

É poeira São José

Poeira Parintintin

Poeira do barro encarnado

Do boi branco de alfenim

Chama, chama do meu sangue

Garra aguerrida, trovão

Que apaga qualquer estrela

Contrária ao meu coração

Chama, chama do meu sangue

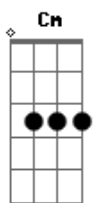

Garra aguerrida, trovão

Que apaga qualquer estrela

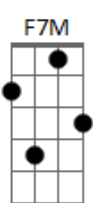

Contrária ao meu coração
