

Boi Garantido - Deusa Cunhã

Tom: C

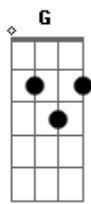

Ao som do tamurá, maracá, carriço, ireru, puraci-sauá
 Surge a deusa cunhã pra dançar
 O ritmo selvagem de guerra
 hei! há! hei! há! hei! há! hei! há! hei! há! hei! há!
 Iluminada pelos olhos hipnotizados do luar
 Que a segue e se perde na imagem mais bela
 De toda floresta
 Herdeira da glória vermelha

Tem a graça e a beleza dos ancestrais
 Seu corpo é todo um monumento
 Livre em perfeito movimento na luz do luar
 A oblação dos povos da floresta
 Todos os deuses te consagram aqui na terra
 A própria encarnação cunhã da glória de mulher
 Dança, deusa cunhã, exuberante rainha
 Dança guerreira, cunhã poranga da nação vermelha
