

Garbage - Empty

```
Tom: G
                                                           Oh oh oh, about, about
  (Drop D)
                                                           Verso 2:
                                                           I get tired of trying
                                                           Ideas die on the vine
                                                           And I feel like a fake
G|-7?7-7-7-4-x-5-5-5-5-5-5-x-4-4-4-4-4-4
                                                                        F
x-7-7-7-7-7-7-1
                                                           I lie awake believing
D|-7-7-7-7?4?x-5-5-5-5-5-5-x-4-4-4-4-4-4
x-7-7-7-7-7-7-1
                                                           That somehow I keep failing

                                                         - Refrão:
                                                           Bm G D D2 D G
                                                          I'm so empty
                                                          Bm
                                                           You're all I talk about
Verso 1:
                                                          G F D
                                                           Oh oh-out
I've been feeling so frustrated
                                                                G
                                                           You're all I talk about
                 Fm
I'll never be as great as
                                                           Ponte:
       G
I want to be
                                                           Every day, every hour of the night
                                                                G
Everyone that I run into
                                                           You're all I think about
                                                           Every day, every hour of the night
The ones you always seem so into
                                                                G
                                                           You're all I dream about
What's wrong with me?
                                                           Bh
They all seem to know exactly
                                                           Every day, every hour of the night
                                                                G
                                                           You're all I think about
What it is they want, they pass me
                                                               F
                                                                      Am Dhdim
                                                           You're all I think about
They smile as they go
                                                           Refrão:
So I work at staying patient
                                                           D G
                                                          \hbox{I'm so empty}
Good things come to those that wait
                                                          D G
                                                           I'm so empty
Or so they say
                                                                         D2 D G
