

Garotos de Ouro - Yahoo

Tom: C
Intro: F G F G C G7 C Bm Am G7

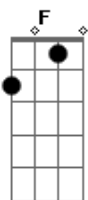

E dê-lhe fole nessas bailes seu gaitero
Eu sou xixeiro e vim aqui foi pra dançar
Chega pra lá eu quero cancha pro floreiro
Pois é rodeio e ninguém vai me segurar
Eu fico louco com o vai e vem das chinocas
Lindas dondocas da melena perfumada
Vou pra ramada com crinuda mais gostosa
Chega de prosa a potranca da domada
(Fim de semana yahoo
Eu de a cavalo vou no rastro da cordeona

Dm G7 Bis
Fim de semana
Sou um cavalo arrebanhando as solteironas
Int.
De madrugada um talagaço de canha
E que me assanha pra chacoalhar na vaneira
Me vou pra sala com a pinguancha de a cabresto
Um bom pretexto pra dançar a noite inteira
A peonada me saúda sapateando
Vão festejando até que comece o dia
E para a gaita pra se ouvir a chimangada
E a gauchada com seu grito de alegria
