

Garrett Kato - Sweet Jane

Tom: E

(com acordes na forma de C)

Capostrate na 4ª casa

Intro:] : C G Am G F G C

[Verso 1] :

Oh, sweet Jane living in the rapture

All the feelings after are gonna fade away

Smoky days hanging outside in the pouring rain

Feeling like the home where you once stayed has washed away

[Chorus] :

And, oh, your heart's been acting like it don't wanna be working right

Now, you've tried everything just to feel something

And all my thoughts are still with you

But you said that I'll explain to you

When you got nothing left, you got nothing left to loose

[Interlude] : C G Am G F G C

[Verso 2] :

Your father said someday he will be remade

Into a spirt that lives inside of your mind

So, you denied the reasons we all live and die

Said that the river runs straight into the ocean

[Chorus] :

Oh, your heart's been acting like it don't wanna be working right

Now, you've tried everything just to feel something

And all my thoughts are still with you

But you said that I'll explain to you

When you got nothing left, you got nothing left to loose

[Outro] : C G Am G F G C

Ooh, ooh, ooh, Ooh, ooh, ooh, Ooh, ooh, ooh
