

# Garth Brooks - She's every woman

Tom: **D**

She's sun and rain, she's fire and ice  
 A little crazy, but it's nice.  
 And when she get's mad you best leave her alone.  
 Cause she'll rage just like a river  
 then she'll beg you to forgive her  
 Oh, she's every woman that I've ever known.

Chorus:

It needs no explanation,  
 cause it all makes perfect sense.  
 Oh, she's every woman that I've ever known.

For when it comes down to temptation,  
 she's on both sides of the fence.  
 Verse 2:  
 She's so New York, and then LA  
 and every town along the way.  
 And she's every place that I've never been.  
 She's making love on rainy nights,  
 She's a stroll through Christmas lights  
 And she's everything I want to do again.  
 Verse 3:  
 She's anything but typical,  
 She's so unpredictable.  
 Oh, but even at her worst she aint that bad.  
 She's as real as real can be.  
 And she's every fantasy.  
 Lord, she's every lover that I've ever had.  
 And she's every lover that I've never had.
