

# Garth Brooks - Tearin' It Up And Burnin' It Down

Tom: E

E  
We all came here for a party tonite  
E  
Your gonna get left if ya don't get right now  
A  
So forget your troubles and forget the news  
E  
Were gonna pull the plug and blackout those blues  
C  
If your ties to tight then adjust the nuce  
A C  
Cause if your gonna hang tight cut loose

CHORUS

E A C E  
Tearin' it up and burnin it down  
A C  
Hey daddy's hide your daughters til that sun comes back around  
E  
Cause we all came here to party  
C  
We came to come unwound

A C  
So go tell everybody what's goin' on in town  
E A C E  
We're tearin' it up and burnin' it down  
E  
We love to hear you sand sing  
E  
This swampy little eastwestern sweet thing  
A  
So lets grab onto each other and let go  
E  
Make a little midnight moonlight mojo  
C  
And when the magic happens let it all hang out  
A C E  
And ya wanna stand up and shout  
CHORUS  
E  
We know you like to party  
C  
We know you like to come unwound  
A C  
So go tell everybody that the boys are back in town  
E A C E  
To tear it up and burn it down

## Acordes
