

Garth Brooks - The ones the wolves pulled Down

Tom: D

January's always bitter, but lord this one beats all
 The wind ain't quit for weeks now,
 And the drifts are ten feet tall
 I've been all night drivin' hefers, closer in to lower ground
 And I spent the mornin' thinkin',
 nc
 About the ones the wolves pulled down
 Charlie Barton and his family, stopped today to say goodbye
 Said the bank was takin' over, the last few years were just
 too dry
 And I promised that I'd visit, when they found a place in
 town

And I spent a long time thinkin', about the ones the wolves
 pulled
 down
 Chorus:
 Lord please shine a light of hope, on those of us who
 fall behind
 And when we stumble in the snow
 Will you help us up while there's still time
 I don't mean to be complainin' lord you've always seen me
 through
 And I know you've got your reasons for each and every thing
 you do
 But tonight outside my window there's a lonesome mournful
 sound
 And I just can't keep from thinkin'
 About the ones the wolves pulled down
 Lord keep me from being the one the wolves pull down
