

Garth Brooks - Whatcha Gonna Do With a Cowboy?

Tom: A

Verse I

A
I can see you got your eye on this ol' cowboy

I can tell you've never had one for your own

Well you've never been around one

Now you're thinkin' that you found one

And it might be kinda' fun to take him home

Verse II

You giggle every time that I say, "Yes, ma'am"
And I get this feelin' if I held you tight

You'd be seein' his and her's

Buckles, boots, and spurs

But that's a feelin' you'd get over overnight

Chorus

'Cause what you gonna' do with a cowboy?

When that ol' rooster crows at dawn

When he's lyin' there instead

Of getting' out of bed

And puttin' on his boots and getting' gone. (Not so sure)

And what you gonna do when he says, "Honey."

"I got half a mind to stay."

What you gonna do with a cowboy

When he don't saddle up and ride away

Verse III

Well you can see it takes a special kinda woman

To put up with the life a cowboy leads

Cause his boots are always muddy,

And his beer drinkin' buddies

They'll camp out on your couch and never leave

Verse IV

Don't even start to think you're gonna change him

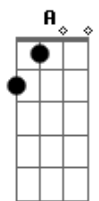

You'd be better off tryin' to rope the wind

Cause what he is is what you've got

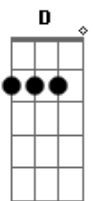

And he can't be what he's not

And honey, you can't hide him from your friends
