

Garth Brooks - Whatcha Gonna Do With a Cowboy?

Tom: A

Verse I

A
I can see you got your eye on this ol' cowboy
D
I can tell you've never had one for your own
A
Well you've never been around one
Gbm
Now you're thinkin' that you found one

E
And it might be kinda' fun to take him home

Verse II

You giggle every time that I say, "Yes, ma'am"
And I get this feelin' if I held you tight
You'd be seein' his and her's
Buckles, boots, and spurs
But that's a feelin' you'd get over overnight

Chorus

D
'Cause what you gonna' do with a cowboy?
A
D
When that ol' rooster crows at dawn
D

When he's lyin' there instead

Gbm
Of getting' out of bed (Not so sure)
E A D A E D=>

And puttin' on his boots and getting' gone.
(D) A

And what you gonna do when he says, "Honey."

D
"I got half a mind to stay."
A

D
What you gonna do with a cowboy
Gbm

E
When he don't saddle up and ride away
A

Verse III

Well you can see it takes a special kinda woman
To put up with the life a cowboy leads
Cause his boots are always muddy,
And his beer drinkin' buddies
They'll camp out on your couch and never leave

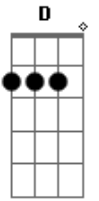

Verse IV

Don't even start to think you're gonna change him
You'd be better off tryin' to rope the wind
Cause what he is is what you've got
And he can't be what he's not
And honey, you can't hide him from your friends
