

Garth Brooks - You Move Me

Tom: D

D Gbm
This is how it seems to me
D Gbm
Life is only therapy
G
Real expensive
D A
And no guarantee
D Gbm
So I lie here on the couch
D Gbm
With my heart hanging out
D D
Frozen solid with fear
A
Like a rock in the ground
Bm G D A
But you move me
Bm G D A
You give me courage I didn't know I had
Bm G D A
You move me
Bm G D A
I can't go with you and stay where I am
G
So you move me
D Gbm
This is how love was to me
D Gbm
I could look and not see
G D
Going through the emotions
A
Not knowin' what they mean

D Gbm
And it scared me so much
D Gbm
That I just wouldn't budge
G D A
I might have stayed there forever if not for your touch
Bm G D A
Oh but you move me
Bm G D A
Out of myself and into the fire
Bm G D A
You move me
Bm G D A
Now I'm burning with love and with hope and desire
G
How you move me
A G
You go whistling in the dark
A
Making light of it
G A
Making light of it
G A
And I follow with my heart
G A
Laughing all the way
Bm G D A
Oh 'cause you move me
Bm G D A
You get me dancing and you make me sing
Bm G D A
You move me
Bm G D A
Now I'm taking delight in every little thing
G D
How you move me
