

Garth Michael Mcdermott - Records To Your Rivals

Tom: Gb

(forma dos acordes no tom de E)

Capostrate na 2ª casa

Intro: G Am

Got a hole in your pocket, lost a fortune in change
 Isn't that your guardian angel who's caught on a weather vane
 There's a growing collection of every perfect miss
 A handful of consolations if you go out like this

But you don't lend records to your rivals
 And you don't sweat a second downward spiral
 What you're leaving for dead don't deserve survival
 If you're wounded, you haven't even looked yet...

[Solo] Em D Am G C
 G D Am G C

You can't draw attention if you're covering up
 And it can't be a true connection if it don't hold long enough

It was easy when you started, cause you're only getting started
 Maybe what you're tired of is never feeling more than tired

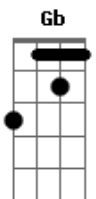

I know that you don't lend records to your rivals
 And you don't sweat a second downward spiral
 What you're leaving for dead don't deserve survival
 If you're wounded, you haven't even looked yet...

Solo 2: Em D Am G C (4x)

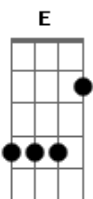

And you don't lend records to your rivals
 And you don't sweat a second downward spiral
 What you're leaving for dead don't deserve survival
 If you're not wounded, you haven't even lived yet...

[Solo] Em D Am G C
