

# Gary Moore - Crying In The Shadows

Tom: D

Sometimes he sees her walking by, he never looks her in the eye  
 She doesn't know, she doesn't care, what he is feeling  
 And as she turns to walk away there is nothing he can say  
 She doesn't know, why should she care?  
 When he's alone, she's never there, to see him

Crying in the shadows  
 Of a love he used to know, but now it's all over  
 Crying in the shadows  
 Over and over again

Of someone he called his own, but now he's all alone again

Sometimes she sees him walking by, she never looks him in the eye  
 He doesn't know, he doesn't care, what she is feeling  
 As he turns to walk away, there is nothing she can say  
 He doesn't know, why should he care?  
 When she's alone, he's never there, he leaves her

Well, he can see it in her eyes  
 And she can feel it in her heart  
 Yes, they can feel it in their hearts, it's tearing them apart  
 Over and over again
