

# Gavin Degraw - Finest Hour

Tom: C

C  
Got a text from you  
Em  
Is it really true?  
Am F G  
All the stuff we did last night  
C  
We shut down the bars  
Em  
Danced on top of cars  
Am F  
Asked some girl if she'd be my wife  
(Pre-Chorus)

Dm  
Am B  
Oh and I got pictures that I don't remember taking that are so bad  
C  
And oh had to break into my own damn apartment  
(B) (C) (D)  
How about that?

They say the best stories come from the worst nights baby but

C  
Oh it was crazy  
Em  
And Oh it was amazing  
Am  
We blew all our money  
F  
And crashed in your Mercedes  
C  
And we both got numbers  
Em  
But didn't get the names  
Am F  
And my whole damn party lost power  
F F F  
It was, it was, it was... Our finest hour

C  
Bruises on my knee  
Em  
They're all over me  
Am F G  
Think I might have lost a fight  
C  
Found a drink receipt  
Em  
From 42nd street  
Am F  
Remember we must have lost our minds

Dm  
B  
And I got pictures that I don't remember taking that are so bad  
C  
I think I might've fell asleep in the subway
