

Gen Rosso - Bênção

tom:

A

Noite e dia, longas madrugadas

E a semente espera

E o milagre, antigo e sempre novo

Fecunda toda a terra

Do grão morto e pisado, a vida nascerá

Na mesa, eis o pão

Abençoa, ó Senhor

Nossa oferta: dá-nos Tua paz

E a unidade no Teu corpo

Que se consuma também por nós

Nossas vinhas, com o sol aberto

Já estão florindo

E o orvalho, no silêncio, toca os primeiros

Frutos

E as cores são mais vivas

Acendem os grãos maduros

Na mesa, eis o vinho

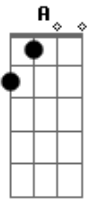

Abençoa, ó Senhor

Nossa oferta: dá-nos Tua paz

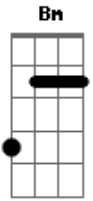

E a unidade no Teu sangue

Que se consuma também por nós
