tom:

Em

Maria, maria, tu que conténs o sol

Maria, maria, tu és luz plena da luz

A nota das notas

És silêncio altíssimo

O "lá" do canto eterno

De ti não se fala, se canta

O amor que floresce em poesia

És obra-prima do criador

Maria

Maria

Maria, maria, toda a história canta a ti

Maria, maria, formas e cores louvam a ti

És a mãe amada

E o céu se veste da beleza que há em ti

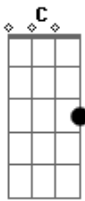

De ti não se fala, se canta

O amor que floresce em poesia

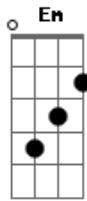

És obra-prima do criador

Maria
