

Gene Clark - Are We Still Making Love

Tom: G

Intro: G C G

Are we still making love
D C G C G
Or is it just part of the game?

Have we both had enough
D G G7
Of life being the same?

Are we still making love?
D G G Em
It's so hard to say no

And though things might be rough
D G C G
Maybe it's time to let go

Our life's come full circle now again
D G G Em
We lived life so fast we thought it couldn't end

And though we hurt each other so
Cm
All we had to know
G G Em
Was how our heartaches began

Are we still making love
D G C G
Or is it just part of the game?

Have we both had enough
D G G7

Of life being the same?

Are we still making love?
D G G Em
It's so hard to say no

And though things might be rough
D G C G
Maybe it's time to let go

I've had some good love now and then
D G G Em
I know I've stumbled, but I've gotten up again

And somehow the good times that we had
Cm
They don't outweigh the bad
G G Em
Oh how can we bring it to an end?

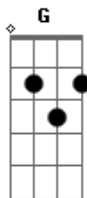

Are we still making love
D G C G
Or is it just part of the game?

Have we both had enough
D G G7
Of life being the same?

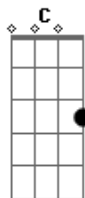

Are we still making love?
D G G Em
It's so hard to say no

And though things might be rough
D G C G
Maybe it's time to let go
