Tom: G

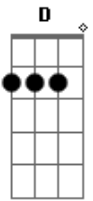

I see the travelers comin' ^{D G A}
 I watch them rollin' down the line ^{D G A}
 I see the transits movin' ^{D G A D G A}
 I remember the railroad line
 I see some smilin' faces ^{D G A}
 Common place like they've peace of mind ^{D G A}
 So many different places ^{D G A D G A}
 I remember there's more than one kind

From a place that I can call my home ^{D Em G D}
 Down the road that I must call my own ^{G A D}
 I see no easy way ^{G A}
 But today I've got to say ^{D G A}
 I don't mind seeing what I'm being shown ^{D G A}
 So I see the jet planes flying ^{D G A}
 I watch them out of sight ^{D G A}
 I keep on what I'm tryin' ^{D G A D G A}
 Hoping that time will treat me right ^{D Em A D}
 I remember the railroad line
