

# Gene Clark - Keep On Pushin'

Tom:

Intro: G F G D

Keep your feet on the ground  
 Don't let'em bring you down  
 All you got to do is keep on pushin'

All the things they say  
 Won't always work that way  
 Satisfy your mind and keep on pushin'

All I ever want to see

Baby, please, that you're not down on me

Every time I call, call up on you  
 All you got to do is keep on pushin'

All the things you do  
 You got to see 'em through  
 Satisfy your mind and keep on pushin'

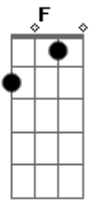

All I ever want to see  
 Baby, please, that you're not down on me

( G F G F G F G D E7 )
