

Gene Clark - Made For Love

Tom: E

You and I, ^D we tried out the night
 We had all those well made plans
^A And every time something didn't go right
^E We just threw that into fate's hands

You come walking down to me
^E Little talons on your feet
^{Bm} Like you just wanna conquer the men
^{Dbm} Wear your mind out on your lips
^E But your eyes reflect the glimpse
^{Bm} Of a true heart that I understand

^D Never wanted to see you cry
^{Dbm} I didn't ride the dark horse to town
^{Bm} ^D ^A The storm is passing, the clouds roll by
^D ^{Dbm} The sun is coming around

'Cause most of all (most of all) ^{Bm} ^A ^G
^{Bm} ^D ^A I just wanted you to love
^E ^{Bm} ^A ^G Most of all (most of all)
^{Bm} ^D ^A Girls were made for boys to love

(Bm A G Bm D)

^E ^D The summer came, the fall it went
^A And the winter snow lay on the ground
^E ^D And everybody who was high last year
^A Was surely on their way down

^E ^{Bm} And you really got down, you said there was
^{Dbm} Nobody else that you could trust
^E ^{Bm} I wanted so much for you to just touch on
^{Dbm} The trusting of yourself

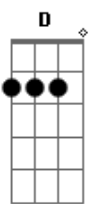

^D ^{Dbm} Never wanted to see you cry
^{Bm} ^D ^A I didn't ride the dark horse to town
^D ^{Dbm} The storm is passing, the clouds roll by
^D ^E The sun is coming around

'Cause most of all (most of all) ^{Bm} ^A ^G
^{Bm} ^D ^A I just wanted you to love
^E ^{Bm} ^A ^G Most of all (most of all)
^{Bm} ^D ^A Girls were made for boys to love
^{Bm} ^A ^G ^{Bm} ^D ^A Made for love
^{Bm} ^A ^G ^{Bm} ^D ^A Most of all
^{Bm} ^A ^G ^{Bm} ^D ^A Made for love
