Intro: F C G C

F C G C G F
 I don't know when to start or when to stop
 My luck's like a button I can't stop pushing it
 My head feels light But I'm still in the dark
 Seems like, without tenderness, there's something missing

C G F
 I don't know where I am, but I know I don't like it
 I open my mouth and out pops something spiteful
 Words are so cheap, but they can turn out expensive
 Words like conviction can turn into a sentence

Em
 I held your hands
 F G Em
 Rings, but none on that finger
 We danced and danced
 Am G Em
 But I was scared to go much further with it
 Just half a chance
 F G Em
 Make sure that one night you're here
 But next night you're not
 Am G
 It always leaves me searching for a little

Calling up your girlfriend
 Just trying to make her understand
 You're squeezing the telephone like it was her hand
 No question (so many questions)
 She's going to catch you out, boy
 It all seems so underhand
 Now she's the only thing that ever made you feel like a man,
 man
 Madman, madman

When you're sick to death of second best, pet
 Why should the morning always find you unimpressed?
 Is your love like a button?
 You can't stop pushing it?
 Oh, this all night longing can be such a long time
