Intro: **Am7 Bm7 C7M D7**

**Em** **C7M**  
All the time I was searching  
**Am7**  
Nowhere to run to  
**D7**  
It started me thinking  
**Em** **C7M**  
Wondering what I could make of my life  
**Am7** **D7**  
And who'd be waiting  
**Em** **C7M** **Am7**  
Asking all kinds of questions to myself  
**D7**  
But never finding the answers  
**Em** **C7M**  
Crying at the top of my voice  
**Am7** **D7**  
But no-one listening  
  
**Am7** **Bm7**  
All this time  
**C7M** **D7**  
I still remember everything you said  
**Am7** **Bm7**  
There's so much you promised  
**C7M** **D7**  
How could I ever forget?  
  
Listen  
**G** **C7M** **Bm7**  
You know I love you, but I just can't take this  
**G** **C7M** **Bm7**  
You know I love you, but I'm playing for keeps  
**G** **C7M** **Bm7**  
Although I need you I'm not gonna make this  
**G** **C7M** **Bm7**  
You know I want to, but I'm in too deep

**Am7** **D** **A** **Am7**  
So listen, listen to me  
**D** **D** **Am7**  
Oh, you must believe me  
**D** **A** **Am7**  
I can feel your eyes go thru me  
**D** **D**  
But I don't know why

**Em** **C7M**

Oh, I know you're going

But I can't believe

It's the way that you're leaving

It's like we never knew each other at all

It may be my fault

I gave you too many reasons for being alone

When I didn't want to

I thought you'd always be there

I almost believed you

All this time

I still remember everything you said

There's so much you promised

How could I ever forget?

Listen  
You know I love you, but I just can't take this

You know I love you, but I'm playing for keeps

Although I need you I'm not gonna make this

You know I want to, but I'm in too deep

So listen, listen to me

I can feel your eyes go thru me

Interlude: **E A D G E A D G E D G Bm7**

It seems I've spent too long

Only thinking about myself

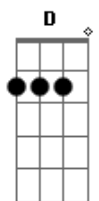

Now I want to spend my life

Just caring about somebody else

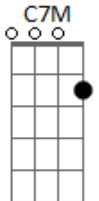

Listen

You know I love you...
