

Genilson Gomes - O Bom Samaritano

tom: G

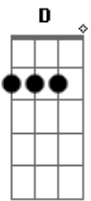

Em meio a tantas pedras Ele andou
 E o encontrou
 Desfigurado um homem Ele acolheu
 E teve compaixão
 O Sacerdote ali passou
 O Levita nem olhou

Mas o Samaritano compadeceu e cuidou
 E o seu olhar lhe convenceu
 De que o amor que ali faltava era Você
 Pois Ele viu sua dor
 Ele sentiu e cuidou
 E a sua mão estendeu
 Lhe amparou e acolheu
 Samaritano compadeceu e cuidou
 Samaritano o ferido ele amou
