

# George Glew - Bittersweet

tom:  
 Capostrate na 1ª casa  
 Ab (forma dos acordes no tom de G )

You're headed for a faded horizon, miles ahead  
 You're runnin' like a child to the water, too close to the edge  
 You're lookin' for something more, it's hard to accept  
 That I found my home but you haven't found yours yet

You go, you go lonely  
 Take another piece of my life  
 You go, you go lonely  
 I taught you how to run and you left my side  
 And yeah  
 I'd be lyin' if I said I'm fine  
 I break, just a little  
 I know you need this but I'm dyin' inside

I'm savin' you a place till you come back  
 Holdin' on for more than an empty home  
 Savin' you a place till you come back  
 Holdin' on for more than the bittersweet  
 Bittersweet, yeah

( G D A Em )  
 I'm treadin' on a fine line of worry  
 And I'm torn between

 Holdin' you back or lettin' you leave
