But oh Lord we pay the price

With the spin of the wheel with the roll of the dice  
G D A D

F C  
And if you don't know where you're going  
G D  
Any road will take you there.

And I've been traveling through the dirt and the grime  
A D A D  
From the past to the future through the space and the time

In watery grottoes and mountainous caves.

But oh Lord we've got to fight  
C G A  
With the thoughts in the head with the dark and the light  
G D A D  
No use to stop and stare  
F C  
And if you don't know where you're going

Any road will take you there.

With the sun on my face - in the ice and the snow.

Any road will take you there.
