Now I've watched you sitting there, seen the passers-by all stare

Like you have no place to go

E D A E Gb A

But there's so much they don't know about Apple Scruffs

You've been stood around for years, seen my smiles and touched my tears

How it's been a long long time

Apple Scruffs, Apple Scruffs, how I love you, how I love you

A / E / A / E / Gbm / E / Gbm / E / Gbm / E /

A / E / A / E / Gbm / E / Gbm / E / Gbm / E

In the fog and in the rain, through the pleasures and the pain

On the step outside you stand

With your flowers in your hand my Apple Scruffs

While the years they come and go, now your love must surely show me

That beyond all time and space

We're together face to face my Apple Scruffs
