

# George Harrison - Art of Dying

Tom: E

ART OF DYING- George Harrison

Intro: **Em7** **Em** **C**  
 They'll come a time when all of us must leave here  
**B** **B7** **Em**  
 Then nothing Sister Mary can do can keep me here with you  
**Em7** **Em** **C**  
 There's nothing in this life that I've been trying  
**B** **B7** **Em**  
 Can equal or surpass the art of dying  
**B** **Em**  
 Do do do do, do you believe me?

They'll come the time when all your hopes are fading  
 When things that seem so very plain, become an awful pain  
 Searching for the truth among the lying  
 And answer when you will learn the art of dying  
 Do do do do, are you still with me?

CHORUS:

**E** **A**  
 Do do do do, but if you want it  
**Ao7** **Em**  
 Do do do do, then you must find it  
**E** **A**  
 Do do do do, but when you have it  
**Ao7** **Em**  
 Do do do do do do, they'll be no need for it

REPEAT INTRO

They'll come a time when most of us return here  
 Brought back by our desire to be a perfect entity  
 Living through a million years of crying  
 Until you realize the art of dying  
 Do do do do, do you believe me?  
 Do do do do, do you believe me?

REPEAT INTRO
