

George Harrison - Awaiting On You All

Tom: B

(intro) (B Ebm Abm Gb E Ebm Dbm B)

(verse)

You don't need no love-in
 You don't need no bed pan
 You don't need no horiscope or a microscope

To see the mess that you're in
 If you open up your heart

You'll know what I mean
 We've been polluted so long
 Now here's a way for you to get clean

(chorus)

By chanting the name of the Lord and you'll be free
 Cause the Lord is awaiting on you all to awaken and see
 Chanting the name of the Lord and you'll be free
 The Lord is awaiting on you all to awaken and see

(chorus ending) (E Ebm Dbm B)

(verse)

You don't need no passport
 And you don't need no visas
 You don't need to desigrate or to emmigrate
 Before you can see Jesus
 If you open up your heart
 You'll see he's right there
 He always was and will be
 He'll relieve you of you cares

(chorus)

By chanting the name of the Lord and you'll be free
 Cause the Lord is awaiting on you all to awaken and see
 Chanting the name of the Lord and you'll be free
 The Lord is awaiting on you all to awaken and see

(verse)

You don't need no church house
 You don't need no temple
 You don't need no rosemary bead or those books you read
 To see that you have fallen
 If you open up your heart
 You'll know what I mean
 We've been kept down so long
 There starting to think we're all green

(chorus)

And while the Pope owns 51% of general motors
 And the stock exchange is the only thing he's qualified to
 quote us
 The Lord is awaiting on you all to awaken and see
 By chanting the name of the Lord and you'll be free

(end song with) (B Ebm Dbm B)
