

George Harrison - Blow Away

Tom: **A**
Intro:

All it's gotta take is some warmth to make it
F **C** **D**
Blow away, blow away, blow away

D **Bm**
Wind blew in, sky turned to black
Gbm **A**
Rained for years til it dampened my heart
D **Bm**
Cracks and leaks, the floor boards caught rot
Gbm **A**
About to go down, I had almost forgot

Sky cleared up, day turned to bright
Closing bothe eyes, now the head filled with light
Hard to remember the state I was in
Instant amnesia, yang to the yin

Chorus

Wind blew in, cloud was dispersed
Rainbows appearing, the pressure was burst
Breezes a singing, now feeling good
The moment had passed like I knew that it should

Chorus

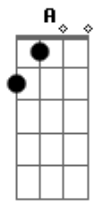

D **Bm** **Gbm** **A**
All I gotta do is to, is to love you
D **Bm** **F** **E**
All I gotta be is to, be happy
D **Bm** **Gbm** **A**
All it's gotta take is some warmth to make it
F **C** **A**
Blow away, blow away, blow away

This is played after the Chorus:

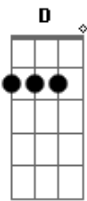

D **Bm** **Gbm** **A**
All I gotta do is to, is to love you
D **Bm** **F** **E**
All I gotta be is to, be happy
D **Bm** **Gbm** **A**
