

# George Harrison - Blow Away

Tom: A  
Intro:

All it's gotta take is some warmth to make it  
F C D  
 Blow away, blow away, blow away

D Bm  
 Wind blew in, sky turned to black  
Gbm A  
 Rained for years til it dampened my heart  
D Bm  
 Cracks and leaks, the floor boards caught rot  
Gbm A  
 About to go down, I had almost forgot

Sky cleared up, day turned to bright  
 Closing bothe eyes, now the head filled with light  
 Hard to remember the state I was in  
 Instant amnesia, yang to the yin

Chorus

Wind blew in, cloud was dispersed  
 Rainbows appearing, the pressure was burst  
 Breezes a singing, now feeling good  
 The moment had passed like I knew that it should

Chorus

D Bm Gbm A  
 All I gotta do is to, is to love you  
D Bm F E  
 All I gotta be is to, be happy  
D Bm Gbm A  
 All it's gotta take is some warmth to make it  
F C A  
 Blow away, blow away, blow away

This is played after the Chorus:

D Bm Gbm A  
 All I gotta do is to, is to love you  
D Bm F E  
 All I gotta be is to, be happy  
D Bm Gbm A

SOLO:
