CHORUS #2:

To who our souls are filled with joy
 Can't resist there
 Spirit no one can destroy
 You'll find bliss there

Ao7: x 0 1 2 1 2

NOTE: You may not be familiar with this tune cos its never been officially released. Its on the bootleg Beware of ABKCO which I think is a must for all Harrison fans. I may not have the riff quite right and I DEFINITELY dont understand all the words, so improvements are very welcome. By the way, this song is from the All Things Must Pass period.
