

George Harrison - Here Comes The Moon

Tom: G

But here it is and here it comes

Intro: A7 D D

G Bm Em G7 (II) C

Em A7
Everybody's talking up a storm

A
Here comes the moon, the moon, the moon, the moon, the moon
Here comes the moon, the moon, the moon, the moon, the moon
Oh yeah (Riff)

A7
Act like they don't notice it

Impulse always quickens when it's full
As it turns my head around me
Yes it does and here it comes

G7 A7sus4
But here it is and here it comes . . .

Here comes the moon, the moon, the moon, the moon, the moon
Here comes the moon, the moon, the moon, the moon, the moon
Here comes the moon, the moon, the moon, the moon, the moon
Oh yeah

D Gbm Hm D7 G E7
Chorus: Here comes the moon, the moon, the moon, the moon
(2 times)

Intro: Impulse always quickens when it's full
As it turns my head around me
Yes it does and here it comes
Chorus:

Am D G
God's gift I see that's moving up there into the night
Am D G
Though dark the mirror in the sky reflects us our light

Em7 A7 D
God's gift I see that's moving up there into the night . . .
Em7 A7 D
Though dark the mirror in the sky reflects us our light:

Looks like a little brother to the sun
Or mother to the stars at night
And here it is and here it comes
Chorus:

Looks like a little brother to the sun
Or mother to the stars at night
And here it is and here it comes
Here comes the moon, the moon, the moon, the moon, the moon
Here comes the moon, the moon, the moon, the moon, the moon
Oh yeah

Breath is always taken when it's new
Enhance upon the clouds around it
Yes it is and here it comes
Chorus:

Breath is always taken when it's new
Enhance upon the clouds around it
Yes it is and here it comes
Here comes the moon, the moon, the moon, the moon, the moon
Here comes the moon, the moon, the moon, the moon, the moon
Here comes the moon, the moon, the moon, the moon, the moon
Here comes the moon, the moon, the moon, the moon, the moon
Oh yeah, ooh
