

George Harrison - Here Comes The Moon

Tom: G

But here it is and here it comes

Intro: A7 D D

A G Bm Em G7 (II) C

Em A7
Everybody's talking up a storm

A
Here comes the moon, the moon, the moon, the moon, the moon
Here comes the moon, the moon, the moon, the moon, the moon
Oh yeah (Riff)

A7
Act like they don't notice it

Impulse always quickens when it's full

G7 A7sus4
But here it is and here it comes . . .

As it turns my head around me

D Gbm Hm D7 G E7
Chorus: Here comes the moon, the moon, the moon, the moon

Yes it does and here it comes

(2 times)

Here comes the moon, the moon, the moon, the moon, the moon

Intro: Impulse always quickens when it's full

Here comes the moon, the moon, the moon, the moon, the moon

As it turns my head around me

Here comes the moon, the moon, the moon, the moon, the moon

Yes it does and here it comes

Oh yeah

Chorus:

Am D G
God's gift I see that's moving up there into the night

Em7 A7 D
God's gift I see that's moving up there into the night . . .

Am D G
Though dark the mirror in the sky reflects us our light

Em7 A7 D
Though dark the mirror in the sky reflects us our light:

Looks like a little brother to the sun

Looks like a little brother to the sun

Or mother to the stars at night

Or mother to the stars at night

And here it is and here it comes

And here it is and here it comes

Here comes the moon, the moon, the moon, the moon, the moon

Chorus:

Here comes the moon, the moon, the moon, the moon, the moon

Breath is always taken when it's new

Breath is always taken when it's new

Enhance upon the clouds around it

Enhance upon the clouds around it

Yes it is and here it comes

Yes it is and here it comes

Chorus:

Here comes the moon, the moon, the moon, the moon, the moon

Here comes the moon, the moon, the moon, the moon, the moon

Intro:

Here comes the moon, the moon, the moon, the moon, the moon
