

George Harrison - Here Comes The Sun

Tom: **D**

D chord

G chord

E7 chord

(com acordes na forma de **G**)

Capotraste na 7ª casa

The song is played capoed at the 7th fret.

D chord

and into the lick:

I've just included the parts. Some assembly required.

George is just strum/picking (somewhere in between, that is) the chords

while playing the melody as the top note of the chord. For

example (I

won't try to exactly match the strumming, just list the basic notes.

The basic chord is played up to the melody note on pretty much

all of

these) the intro/verse part is:

then:

D chord

A7 chord

The bridge part ("sun, sun, here it comes"):

D chord

G chord

A7 chord

The part leading out of the bridge is all just based on the **A7** chord:

D chord

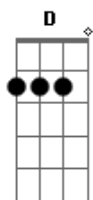

G chord

A7 chord

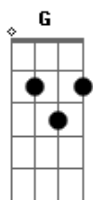

"here comes the sun" part:

The end is just the "sun, sun, here it comes" lick. submitted by nick
