

# George Harrison - I Want To Tell You

tom:

A

I want to tell you, my head is filled with things to say

When you here, all those words they seem to slip away

When I get near you, The games begin to drag me down

It's alright, I'll make you maybe next time around

But if I seem to act unkind (Uhh)

It's only me it's not my mind (uhh)

That is confusing things

I want to tell you, I feel hung up but I don't know why

I don't mind, I could wait forever, I got time

I got time, I got time, I got time

I don't mind, I could wait forever, I got time, I got time

[Solo] A B7 E7 A7  
A B7 E7 A7

Sometimes I wish I knew you well (uhh)

That I could speak my mind and tell you (uuhh)

Maybe you'd understand

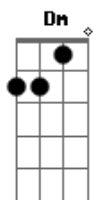

I want to tell you, I feel hung up but I don't know why

I don't mind, I could wait forever, I got time

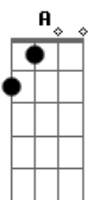

I got time, I got time, I got time

[Solo] A7
