With her fog, with her amphetamine and her pearls
It was raining from the first
And I was dying there of thirst
So I came in here
And your long-time curse hurts
But what's worse
Is this pain in here
                      G7sus2 G7
G7sus4 G7
I can't stay in here
G7sus4 G7 G7sus2 G7
Ain't it clear that
I just don't fit
Yes, I believe it's time for us to quit
And when we meet again
Intro: duced as friends
Please don't let on that you knew me when
I was hungry and it was your world
   C Em Dm F
You take just like a woman
         Em Dm
And you take just like a woman, yes you do
             C Em Dm
