

# George Harrison - Mother Divine

Tom: A

album: beware of abkco

i'm not sure of all the lyrics, but i'm fairly certain of the chords so here goes.

if anyone one knows the lyrics, please correct them.

Intro: riff (also verse):

A F7M

bridge (also same chords as bridge "was beauty itself...):

A E A D

chorus:

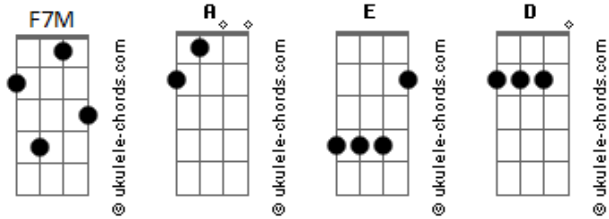

A  
mother divine

E  
mother divine

A D A E  
mother divi--i--ine

A E

## Acordes

verse 1 (over intro riff)

A F7M A  
haloed and splendor womb her face  
F7M  
tenderly smiling too

A E  
was beauty itself and i  
A D  
know that she loves me

chorus 4x

verse 2

circled in sunlight moves her eyes  
joyfully shining through

is beauty itself and i  
know that she loves me

chorus 6x out

i left out his end chords, because it's just a flourish of A D & E.
