

# George Harrison - P2 Vatican Blues (Last Saturday Night)

tom:

Intro: E7 D7 A7  
D Eb E

It's quite suspicious to say the least  
Even mentioned it to my local priest  
One Our Father, three Hail Marys  
Each Saturday night

[Solo] A A7 D7 Eb  
A Gbm Bm  
E A E7

[Refrão]

I wish somebody would tell me  
That it's only a show  
And I'll confess, own up, let's face it  
In my concrete tuxedo

[Quarta Parte]

It's quite suspicious to say the least  
While mentioning it to my priest  
One Our Father, three Hail Marys  
Each Saturday night

( A A7 D7 Eb )

[Final]

One Our Father, three Hail Marys  
Each Saturday night  
One Our Father, three Hail Marys  
Each Saturday night

[Primeira Parte]

Gazed at the ceiling from below  
A splendid Michelangelo  
Filled my heart with delight  
Last Saturday night

[Segunda Parte]

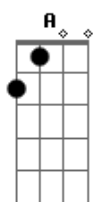

Arrived believing from home  
Climbed every step inside St. Peter's Dome  
Claustrophobic and ex-Catholic  
Last Saturday night

[Refrão]

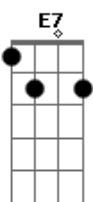

Now how come nobody really noticed  
Puff of white smoke knocked me out  
The truth is hiding, lurking, banking  
Things they do at night

[Terceira Parte]
