

# George Harrison - Rocking Chair In Hawaii

Tom: **D**

Verse 1:

**D**  
**D7**  
 I'm going down to the river, gonna take me my rocking chair.  
 Going down to the river gonna take me my rocking chair.  
**A** **D**  
 And if those blues don't leave me, gonna rock away from here.

Verse 2:

If you want me woman, please don't act so shy.  
 And if you want me woman, please don't pass me by.  
 I love those sideways glances, your shoulder and your thigh.

CHORUS:

**G** **D** **A** **D**  
 I see inside your eyes the Baba Sai the reason why I love you.

Verse 3:

So if your still busy hiding, what it is you got.  
 And if you're frightened of losing, what you like a lot.  
 You may be cruising backwards, while thinking that you're not.

(Chorus)

Verse 4:

So if you don't get the picture, you won't know what I feel.  
 If you don't get the picture then you won't have a depth of field.  
 You may be going someplace, someplace you've already been.
